

Snowshoe the Medicine Trail

LUNA'S ANNUAL FULL MOON SNOWSHOE EXPLORES ANCIENT FOREST

Whistler, BC – January 14, 2010

If you're 18-35 and not a LUNA member yet, this event will likely change things. On January 29 under the full moon, LUNA and Canadian Snowmobile Adventures will take a group of snowshoe-clad LUNA members deep into the Callaghan Valley's ancient forest for a two-hour tour. Tickets are just \$10 and will be available on Thursday, January 21 at Whistler's Foto Source.

The Full Moon Snowshoe includes transportation to and from the Callaghan Valley, a guided trip on the Medicine Trail, snowshoe rentals, fresh air, medicinal tea from the forest, and refreshments by the fire at the old Moose Caboose base camp. The Full Moon Snowshoe guides will introduce Eastern and Western philosophies of tree medicine and a history of the area's traditional uses.

"We love discovering little-known, magical places in Whistler and sharing them with our community through LUNA events," said Kiran Pal-Pross, LUNA coordinator.

The Full Moon Snowshoe is available to 18-35s with a valid LUNA membership. LUNA memberships provide many discounts around town and are available to 18-35s for just \$5 at Whistler's Foto Source. The Full Moon Snowshoe tour begins at 7PM and participants will return to the Village by 11PM.

Stay current on LUNA's fresh nightlife culture at www.lunawhistler.com, Facebook (LUNA Whistler), Twitter (LUNA_Events) and the LUNA hotline (604) 966-4800.
